Request for Quote for: Construction of four small practice rooms for music building

REQUESTER:

East Mountain High School

25 La Madera Rd.

Sandia Park, NM 87047

QUOTE DUE DATE:

Friday, Oct. 28, 2022

Introduction:

EMHS is accepting proposals/quotes from contractors and construction companies to take an 816 sq ft. room and construct 4 small sound-proof practice rooms. The walls should isolate sound as much as possible.

We invite your firm to submit a quote by 4:00pm on Friday, Oct. 28, 2022 to tsmith@eastmountainhigh.net for our consideration.

Background of EMHS & the Recording Arts program

EMHS is one of the most successful public schools and one of the oldest charter schools in the state of New Mexico.

Our innovative music program culminates in a recording arts program that has students write and record an original album of music.

What is the Purpose of the Requested Service?

The curriculum requires the use of small ensembles practicing individual sessions in close proximity. The small ensembles include amplification and drum sets.

Specifics

- Sound-proof wall construction
- Electrical outlet installation connecting to existing electrical
- Ventilation installation to connect to existing HVAC

How will Quotes be Evaluated.

While price is an important factor, the school will evaluate proposals on the following criteria as well:

- Prior experience/customer satisfaction with the company quoting:
- Completeness and timeliness of the proposal.
- Ability to complete project before January 2022.
